Brainiacs Basic Terms and Conditions

MaxxSouth Prepaid Internet Brainiacs Basic Add-On Service

Brainiacs Basic is an optional add-on service that provides MaxxSouth Prepaid subscribers with live phone support for their payments, internet modem and WiFi service for an additional $6.00 per month.

By subscribing to Brainiacs Basic, you agree to a minimum service commitment of thirty-six dollars ($36) for the first six (6) consecutive months ("Commitment Period"). This minimum commitment fee is non-refundable, even if your MaxxSouth Prepaid Service is canceled for any reason(including without limitation voluntary disconnection or failure of payment).

The Commitment Period fee will be billed in six (6) equal monthly installments during the first six months of your Brainiacs Basic subscription; if your service is terminated during that period, the balance due will be immediately due and chargeable at termination (provided, MaxxSouth in its sole and unlimited discretion may either bill the full amount immediately or continue to bill on a monthly basis).

Following the completion of the Commitment Period, Brainiacs Basic will automatically continue on a month-to-month basis and will be billed at $6.00 per month unless and until canceled by the customer.

Brainiacs Basic may not be canceled online. To cancel the service, you must contact MaxxSouth Prepaid customer support directly. Cancellation requests will not be effective until processed by MaxxSouth Prepaid.

Brainiacs Basic is provided on an as-available basis and does not guarantee resolution of all technical issues. MaxxSouth Prepaid reserves the right to modify or discontinue the Brainiacs Basic service at any time, with or without notice, subject to applicable law.
